Monthly Highlight Feature

This month San Saba County was well represented by our two intermediate teams at the District Food Challenge Contest.

Our all girl team, the “Sassy Cookers” competed in the Fruits and Veggies category and wowed the judges with their vegetarian salad featuring the main ingredient of zucchini. They took home 3rd place!

Does your child have an interest in learning how to sew? Do they enjoy being part of a team and working with others to come up with creative solutions?

If you answered yes to these then think about signing your child up for our Duds to Dazzle Contest! Duds to Dazzle is a contest where teams are given a category and piece of fabric or item, they then have an hour to create something and present it to the judges.

We will be starting practices in February and will have them every week until contest in March! If you're interested please contact Kailey Miller at the San Saba County Extension. You can find the information below.
