November Highlight Feature

We had our November meeting on Tuesday the 17th at the Civic Center.

Our club is taking on a community service project! We are writing letters to senior citizens. We're asking all members to write one letter to a senior citizen at the nursing home and drop it off at our office to be mailed together. COVID has been really hard on some of them and this is a great way to brighten up their day. Please drop off or email your letter to our office by December 4th!

T-Shirt Contest!! It's time for our club to get new T-shirts and we're holding a contest for our members to decide! We're asking members to design our club T-shirt! All designs will need to be submitted to the extension office for approval and we ask that you include colors, but please keep the color scheme to only two so that we don't run into more costs. We will be voting on the approved designs at our next meeting on December 15th so make sure to get your design in!

White Elephant Gift Exchange! We will be having a White Elephant Gift Exchange at our Christmas meeting next month! One gift per child and we ask that they be \$10 or under! Our next meeting will be December 15th at the Civic Center from 5:30 to 6:30 pm.

We're also helping with the Angel Tree this year! If you'd like to help we will be wrapping presents on the third floor of the courthouse on December 14th at 4:15 pm.
